Simian Skill International to put on a CPD Course in UAE for UK Scheme Card Holders

Simian Skill International are planning to run a 2 Day CISRS CPD Course at their accredited training centre in Dubai, UAE on 10th & 11th September 2018.

This course is aimed at CISRS Scaffolder/Advanced card holders who are based overseas and would find it easier to take the course locally rather than returning to the UK to renew.

To be eligible, delegates would need to have held, or hold a CISRS Scaffolder or Advanced card. Cards can only be renewed within 6 months of the expiry date.
