

CISRS SCAFFOLDER 2 DAY CPD/REFRESHER TRAINING COURSE

Introduction

This course has been developed to refresh the delegate's existing knowledge, to ensure that the delegate is made fully aware of changes in legislation and good working practices and to provide additional training, to align their skill-set with the contents of current CISRS Scaffolder/Advanced Scaffolder Courses. The introduction of this course will help ensure that CISRS scaffolders maintain their status, of being a well-trained, safety conscious and highly respected sector of the construction industry.

Contents

The course will include General Site Health and Safety, Good Environmental Practice, Scaffold Inspection, Alloy Tower Training, Scaffold Good Practice, Temporary Works Responsibilities and a final Scaffolding Health Safety & Behavioural Test.

Card Endorsement

All delegates attending the course will have their renewed card endorsed with CPD/Refresher.

Scaffold Inspection Module

To pass the Scaffold Inspection Module delegates will be required to complete the practical element and correctly answer a minimum of 7 questions out of 10 in the Module Test. Delegates who pass the Scaffold Inspection Test will have their renewed card endorsed accordingly. Delegates who hold a separate Inspection Card will no longer be required to renew this separate card.

Alloy Tower Module

To pass the Alloy Tower Module delegates will be required to complete the practical element and correctly answer a minimum of 11 questions out of 15 in the Module Test. Delegates who pass the CISRS Alloy Tower Test will have their renewed card endorsed accordingly.

Scaffolding Health Safety & Behavioural Test

To pass the Scaffolding Health Safety & Behavioural Test delegates will be required to correctly answer a minimum of 38 questions out of 50.

Delegates who pass this test will be able to apply to have their card renewed.

Delegates who fail this test will be required to pass a CITB Health Safety and Environment Test or hold a recognised exemption, in order to apply for their new card.

Revision Material Booklet

This booklet contains the questions for the Scaffolding Health Safety & Behavioural Test, together with a brief preamble to each topic section. Each Test Paper will include 12 Behavioural Questions (Section 1) and 38 Knowledge Questions (Sections 2-20).

There will be a maximum of 12 delegates on each course, each delegate will receive a different test paper, every question in the revision booklet will appear on one of the papers.

To increase their chance of passing the test, delegates will need to fully revise the test questions and carefully read the test Instructions.
