

## Construction Industry Scaffolders Record Scheme Press Release

### West Anglia Training Association WATA

CISRS has received confirmation that WATA training in East Anglia has ceased to trade.

We are in contact with the appointed joint administrators Mctear, Williams and Wood about the possibility of retrieving VQ portfolios. We are not yet certain that anything can be recovered but we would ask that anybody who has submitted a VQ portfolio or has not received course certification from WATA, contact us so that we can compile a list of those affected.

Please send delegate details to [laura.weekes@cisrs.org.uk](mailto:laura.weekes@cisrs.org.uk)

We have also received messages from some delegates who were shortly due to take a 2-day CISRS CPD course at WATA. NCC East have kindly put on an additional course at their centre on 17/18<sup>th</sup> November. This course is being held initially for WATA customers. If any affected delegates would like more details, please contact NCC Coursebookers at : [0344 9944433](tel:03449944433) or [nationalconstruction.college@citb.co.uk](mailto:nationalconstruction.college@citb.co.uk)
