

Construction Industry Scaffolders Record Scheme Press Release

CISRS Partners with Providers to Offer Subsidised CPD Courses this December

The Construction Industry Scaffolders Record Scheme (CISRS) is running a number of subsidised CPD courses across the UK this December.

CISRS working in partnership with several of the approved training providers will deliver the 2 Day CPD course for £50 per delegate. CISRS will also waive the usual associated costs of training folders and card application fees for these delegates.

CISRS is a not for profit organisation and is committed to redistributing funds back into the industry. Success with the CISRS OSTS (Overseas) Scheme has allowed CISRS to fund two programmes of this subsidised training across the UK in 2019. Around 275 Scaffolders will have benefitted from this reduced rate training, renewing their CISRS cards through CPD and keeping up with industry best practice for only £50.

CISRS is hoping to offer more in the way of subsidised training in 2020.

The subsidised CPD courses will be held at the following centres this December:
