**05.02.21**

**CISRS CPD – Make Sure You Have Your Say**

The CISRS Continuing Professional Development (CPD) survey will close at the end of this month.

The views of delegates, employers and those employed in the wider industry will assist CISRS when reviewing Scaffolder CPD. To complete the survey, click [here](#). It will remain open until February 28 2021.

Dave Mosley, CISRS Scheme Manager, said: “Despite initial reluctance to CPD/Refresher training, the two-day course has proven very popular, the feedback collected from delegates upon completion of the course has been overwhelmingly positive.

“Having now passed the halfway point in the five-year CPD cycle, with more than 60 per cent of those required to attend the CPD programme having now undertaken it, we would be very interested in hearing their views now that they have had time to reflect.

“We want people to be honest in their responses as such the survey is anonymous. We do, however, want the comments to be constructive. Remarks like “it’s rubbish” will not help us identify areas that require consideration.

“If there are specific elements of the programme that someone has concerns with, we want them to let us know and if they can offer solutions to these issues they would be welcomed.”

**Notes to Editors:**

The Construction Industry Scaffolders Record Scheme (CISRS) has been the industry recognised scaffold training scheme for over 40 years.

It is the preferred scaffolding qualification of all the major organisations including CSCS, NASC, HSE, Build UK, UNITE and the largest scaffold systems manufacturers.

The scheme, established in the 1960s, has 66,000+ CISRS card holders in the UK & 6,500+ OSTS card holders overseas.
