Withdrawal of CITB LITE Operatives and Specialist HS&E TEST as CISRS Recognised Exemption

As all Pearson Vue Test Centres have re-opened, CISRS will be withdrawing the online CITB LITE Test as an exemption for a CISRS card on 30th September 2021.

Any CISRS applications received after the 30th September 2021 using a CITB LITE Test will be rejected.

We would ask all CISRS centres to ensure that any delegates attending CISRS courses after 30th September 2021 have a CITB HS&E Test or recognised exemption in place. A list of recognised exemptions can be found at –
