CONSTRUCTION INDUSTRY SCAFFOLDERS RECORD SCHEME

Construction Industry Scaffolders Record Scheme Press Release

New CISRS Cards Poster Issued

CISRS has issued a brand new 'Have you got the right card?' information poster.

The CISRS poster has been designed to be displayed in site offices, helping Site Managers and Contractors to check and demonstrate that Operatives, Manager/Supervisors and Inspectors of scaffolding hold the correct CISRS cards endorsing the correct qualifications and experience. It is hoped that this resource will assist in their responsibility of keeping each site compliant and safe.

Covering all CISRS cards, the posters are also helpful for site cabins and training centres to inform operatives and delegates, what each card should look like, how they are obtained and what they entitle the holder of said card to do.

For further information on CISRS course content, duration, life span of cards, CPD/renewal requirements, plus details of all accredited CISRS training centres visit www.cisrs.org.uk
 To check validity of cards call: 0300 999 1177, email: enquiries@cisrs.org.uk or visit: www.cardchecker.nccn.org

ISSUE April 2012

To obtain a new poster please email enquiries@cisrs.org.uk
