CISRS and Training Centres to offer a Series of Summer Subsidised Courses

The Construction Industry Scaffolders Record Scheme (CISRS) will once again, with the support of a group of their approved training centres, be offering a number of subsidised CPD courses across the UK in the coming months.

CISRS has reached an agreement with a number of training providers that will enable them to deliver the CPD programme for up to £50 per delegate over this summer.

Since its inception over 25,000 Operatives have retained their CISRS status after successfully completing the 2-day programme.

Over 100 of these subsidised CPD courses have been made available at locations up and down the country, benefitting 1000s of individuals and seeing CISRS reinvest around £400,000 back into its stakeholders, those holding the industry recognised qualification and card.

More centres than ever have joined up to this summer's initiative and CISRS greatly appreciates their help in redistributing funds back into the industry.

The subsidised CPD courses will be held at the following centres:

- AIS Survivex (North Shields) 22-23 May 2023
- Aspects Total Training (Coventry) 26-27 June 2023
